\$5 per student. Follow the link to get info.

As discussed at our last meeting and per your request, each high school orchestra director will be responsible of obtaining music for his/her students. Thus, I will not be responsible of sending out music to your students, in advance. If you have any trouble of obtaining any music, you can contact me so that I can assist you.

Please understand that I will have copies of all music for those students who pass the final auditions at the rehearsal site and at the event (Nov.14-15).

Within the next couple of weeks, I will upload audition excerpts online for you and for your students to download.

FYI

The guest conductor has selected following pieces:

Purcell/Britten: Chacony in G Minor (7')

Dan Locklair: In Memory HHL (4')

Diamond: Rounds for String Orchestra (13')
