Key#

Dear parents,

We are very excited to announce that this year the orchestra room has new lockers which are available to all violin and viola players. The lockers each have their own key, and will be safe during the day. Each locker will cost \$5. Once the \$5 is paid, your student will be assigned a locker which they can use for the entire year. If the key is lost, there will be a \$20 fine to pay for the replacement key.

Thank you!

Please turn in this form to order a locker. This holds you responsible for paying for a replacement key, if the original is lost. This also holds you liable for any damage to the locker during the year.
